Just minutes from the beaches of Guardamar, in a tranquil natural setting, lies this unique country estate with a 5,409 m² plot and a 693 m² building in its initial stages of development . It's ideal for those seeking to create a bespoke villa or develop an exclusive project. The existing structure, already completed , allows for the creation of a spacious home with the potential for up to 6-8 en-suite bedrooms , according to the original plan. One of its greatest assets is the large basement of approximately 300 m² , perfect for designing a garage, wellness area, gym, or leisure spaces . The estate also features its own...(Ask for More Details!)
