Six Seconds Properties presents this exclusive resale penthouse in Guardamar del Segura , located in a modern building completed in 2025 , in a privileged location next to the emblematic pine forest of Guardamar and a short distance from the town center, the beaches and all services.

The property features four bedrooms and three bathrooms , offering spacious, bright, and thoughtfully designed living areas for year-round comfort. The living-dining room boasts large windows that flood the space with natural light and seamlessly connect the interior to the property's various private terraces . One of these terraces offers pleasant views of the Guardamar pine forest , creating a particularly tranquil end. (Ask for More Details)
