This fantastic investment opportunity is now available.

The house is a total reform project and although is currently 100m2, it can be extended out and upwards to a total build size of 500m2! Half of the plot is urban and half rustic. The current build size would easily accommodate 3 double bedrooms and 2 bathrooms. We have floor plans to demonstrate possibilities.

You could build a magnificent property to suit your own taste and needs
